Rl 198-22-2

Sir,

I have the honour to state that the question of taking over the management of the Shimoga Water Works was under the consideration of the Municipal Council for a long time past and at their Meeting held on the 12th May 1923 the subject came up for final decision when it was unanimously resolved that the water works be taken over to the Municipality The Executive Engineer, Water Supply Division who was consulted in the matter has communicated the following suggestions -

1 The present staff employed may be kept on

2 The Chief Engineer for Irrigation may be addressed as regards the services of an Engineer Officer

3 The Government may be addressed for orders to take over the management of the water works

2 As the Municipal Council are anxious to take over the management from the 1st July 1923 if possible, I request that you will be so good as to obtain early orders of

Government

Government on the proposal

3 As regards the staff to be employed the suggestion of the Executive Engineer will be placed before the Municipal Council and further action taken

4 In regard to the second suggestion of the Executive Engineer, the Chief Engineer for Irrigation will be addressed to lend the services of an Engineer Officer on a pay of - R 150-10-200 who will be a full-time officer of the Municipality entrusted with not only the work of the Water Supply Scheme but also of the Civil Engineering work of the Municipal Town In the meanwhile I beg to request that Government may be pleased to instruct the Chief Engineer for Irrigation to spare the services of a competent and experienced officer for employment by the Shimoga Town Municipal Council

5 Copies of letter No 712 dated 9-6-1923 and resolution dated 12-5-1923 received from the President of the Municipality are enclosed for the information of Government

Sir,

With reference to our letter No I 665/A I 118-23-3 dated the 23rd July 1923 on the question of taking over the management of the Shimoga Water Works by the Municipal Council I have the honor to forward herewith a copy of letter No 108 dated the 17th August 1923 from the President of the Municipal Council, furnishing figures showing the cost incurred on the maintenance of the water works from the year 1913-14 to 23-24, as also the amount of commission paid to the Water Supply Department every year from 13-14 to 22-23

2 As regards the second point raised in your letter under reference the payment of a consolidated allowance of Rs 50/- to the Sub Engineer, the Municipal Council have at their meeting held on the 28th July 1923, resolved that the consolidated allowance proposed by the Chief Engineer may be incurred and that the management of the Water Works may be taken over by the Municipality

Letter No:109 dated 14/17th August 1923 from the President, Shimoga Town Municipal Council to the Deputy Commissioner, Shimoga

*****

With reference to your Memo No C 119/Rev 23-24 dated 26-7-1923 forwarding a copy of letter No L 665/M1 109-23-3 dated 23rd idem from the Revenue Secretary to Government of Mysore, I have the honor to herewith enclose a copy of the resolution passed by the Municipal Council at their meeting held on the 28-7-1923 as also a statement showing the figures of the estimates for the maintenance of the Shimoga Water Works from 13-14 to 22-23

If the Municipality takes over the Management of the water works, the expenditure is not likely to increase, the pay of the Sub-Engineer being borne out of the annual commission which the Engineering Department have been charging the Municipality As pointed out in this office letter No 713 dated 9-8-1923, the Engineer proposed to be employed by the Municipality, will not only supervise the water works but will also be required to attend to the maintenance of roads, drains and buildings This arrangement will be an improvement over the present system of management from Bangalore

3 Enclosed I also forwarded a statement showing commission paid to the water works Department every year from 13-14 to 22-23 It may be noticed that the average commission paid yearly amounts to about Rs 1900/- during the last 5 years which works out to Rs 150/- per mensem If it be necessary to pay the Sub-Engineer proposed to be employed, over and above this, the Council are of opinion that they can be able to allot any sum so required from their annual income

4 Under the above circumstances, I request you to kindly move the Government to kindly sanction the proposal of the Council to take over the management of the Shimoga water works
